## Add to your calendar:

March 7th, 2025 – Pediatric Free Treatment Day

April 11th, 2025 – Adult Free Extraction Day

## Coming Up

### **PEDIATRIC FREE DENTAL DAY**

On this day, we will offer care for children aged 0-18. We especially encourage those with Arkansas Medicaid to participate!

March 7th, 2025 8am – 1:00pm

## Patient Highlight

**WE ABSOLUTELY LOVED  
WORKING WITH MS. PATTI!**

“I just can't get over how BEAUTIFUL my new smile is! It feels so great to not have to cover my mouth when I laugh or smile! I think I'm going to start going to deaf club again!

Thank you so much to the team at Mint Dental Care for making this possible! I absolutely love and adore you all there! If you live in NWA and need dental care, this is definitely the place to go to! They really care about their patients there, PLUS, they have therapy dogs, Weller and Mr. Bourbon that are super friendly and cuddly!” – Patti

## Free Resources

**APPOINTMENTS AVAILABLE  
UPON REFERRAL**

Dr. McCord is currently offering free emergency dental treatment on Thursday mornings from 8 a.m. to 5:00 p.m. for patients referred by participating organizations.

Call 479-250-0555 for more details

## Our Story

### RADICAL GENEROSITY AND A HEART OF SERVITUDE

Mint For More began as a vision driven by Dr. Trent McCord and the team at Mint Dental Care, rooted in their shared passion for service and community support. The journey started with the establishment of Mint Dental Care in April 2016. Despite the challenges of launching a new business, the team remained steadfast in their commitment to creating a dental practice known for its generosity and dedication to the community. To embody this commitment, an ambitious goal was set: to donate the equivalent of what an average U.S. dental office earns in a year—\$750,000. As Mint Dental Care grew, so did the impact of its charitable efforts, leading to an increased goal of \$1 million in donated dental services by 2028.

Mint For More was officially established at the end of 2022 to further this mission. The organization was created to expand the reach of Mint Dental Care's community impact by partnering with organizations and individuals in need of dental care. Through these collaborations, Mint For More has enhanced its annual donations and deepened its contribution to the well-being of Northwest Arkansas (NWA). The organization's growth reflects a heightened awareness of and response to the dental needs within the community.

## NWA Non-Profit Highlight

### DUSTIN'S DREAM

Dustin's Dream is a non-profit organization based in Siloam Springs, AR, founded in 2012 by Don and Deondra Chamberlain following the tragic loss of their son, Dustin.

The organization was established to honor Dustin's vision of using healthcare to spread the Gospel and assist those in need. Since 2018, Mint For More has partnered with Dustin's Dream, traveling to Guatemala to serve the local community.
